PROFESSIONAL SUMMARY

Information Technology undergraduate with project experience in web development and campus issue management. Completed internship and training programs covering UI/UX, full-stack development, AI, cloud computing, and DevOps. Interested in building useful software, learning through practical work, and contributing to a development team.

TECHNICAL SKILLS

Programming: Python, JavaScript, SQL

Web Development: HTML, CSS, React.js, Node.js, Express.js

Platforms & Tools: Supabase, Git, GitHub, Vercel, Docker (project exposure), Prompt Engineering, AI-assisted development

PROJECTS

AngadiFlow — Customer Website Project | Live Website

Delivered a restaurant-focused website for a customer, creating a customer-facing web presence to present the solution and its services.

CampusFix AI — Intelligent Campus Problem Management

Designed a campus maintenance reporting workflow covering issue submission, category and severity identification, department routing, assignment, progress tracking, and resolution.

Defined routing based on issue location and category; included photo evidence and reporter confirmation in the proposed resolution process.

Planned department-level administration and analytics to track issue status and outcomes.

INTERNSHIP & TRAINING EXPERIENCE

Arttifai Tech — UI/UX Design & Full Stack Development Intern

July 2025

Worked on UI/UX design principles and full-stack development during the internship.

CodeAlpha — DevOps Intern

August 2026

Completed a Docker Web Server project during the DevOps virtual internship.

SYNTECXHUB — Artificial Intelligence Intern

Built foundational knowledge of AI concepts and Python, with a focus on problem-solving and practical AI applications.

CodSoft — Cloud Computing Virtual Intern

Completed a virtual internship focused on cloud computing fundamentals.

TVK Technologies — AI & Data Science Training

Completed a 15-day live training program covering AI and Data Science concepts using Python.

EDUCATION

B.Tech, Information Technology — M.A.M. College of Engineering and Technology, Trichy | 2024–2028

Current CGPA: 7.33/10

Vivekananda Matric Higher Secondary School, Attur | HSC: 71.5% | SSLC: 73%

CERTIFICATIONS

CodeAlpha DevOps Internship Certificate | SYNTECXHUB AI Internship

Errors2Experts — SDLC Workshop (Participation) | MathWorks MATLAB Software Development, Intermediate
